KEN Applications Subcommittee Charge

1. To identify uses for existing and proposed information technologies that will use the Kentucky Education Network and the applications of these technologies to all learning opportunities within the Commonwealth.

2. To assess and prioritize the existing use, need or desire for such applications in learning institutions, along with their supporting administrative systems.

3. To recommend changes to infrastructure, policies or work processes that will facilitate the successful implementation of these applications.

4. To review the effectiveness of implemented applications in terms of student success, educational achievement and lifelong learning.
